The African Journal of Information and Communication (AJIC) is a peer-reviewed, interdisciplinary, open access academic journal focused on the myriad dimensions of electronic and digital ecosystems that facilitate information, communication, innovation and transformation in African economies and in the broader Global South. Accredited by the South African Department of Higher Education and Training (DHET), *AJIC* publishes online, free to the user, under a Creative Commons licence, and does not impose article processing charges. *AJIC* is indexed in Scientific Electronic Library Online (SciELO) SA, the Directory of Open Access Journals (DOAJ), Sabinet African Journals and Wits University WIREDSpace, and is hosted on the Academy of Science of South Africa (ASSAf) Khulisa Journals platform.
